Re: Proposed annexation to the

High Annexation

Dear Mr. Keel:

At the meeting held on August 12, 1959, the County Boundary Commission reviewed the boundary description and map submitted by your City Manager, Joy M. West, with her letter of August 4, 1959, of the proposed annexation of territory to the City of Hawthorne.

In order to avoid a violation of Section 35002.5 of the Government Code, the most westerly portion of the annexation was eliminated at the request of your Director of Public Works, Mr. Scott.

The boundaries submitted conform with lines of assessment except for one arbitrary cut made through the Hawthorne High School site and another made across the Pacific Electric Railway right of way to avoid a possible violation of Section 35002.5 of the Government Code. No island or illegal corridor of unincorporated territory is created by the boundaries.

Upon recommendation of the County Engineer revisions were made in the boundary description to provide the definiteness and certainty intended under the provisions of Section 35002 of the Government Code.

With these revisions, the County Boundary Commission approved the boundaries of the above proposed annexation. A copy of the approved revised legal description and a list of special districts involved are enclosed for your use.

Very truly yours,

*Gordon T. Nesvig*
